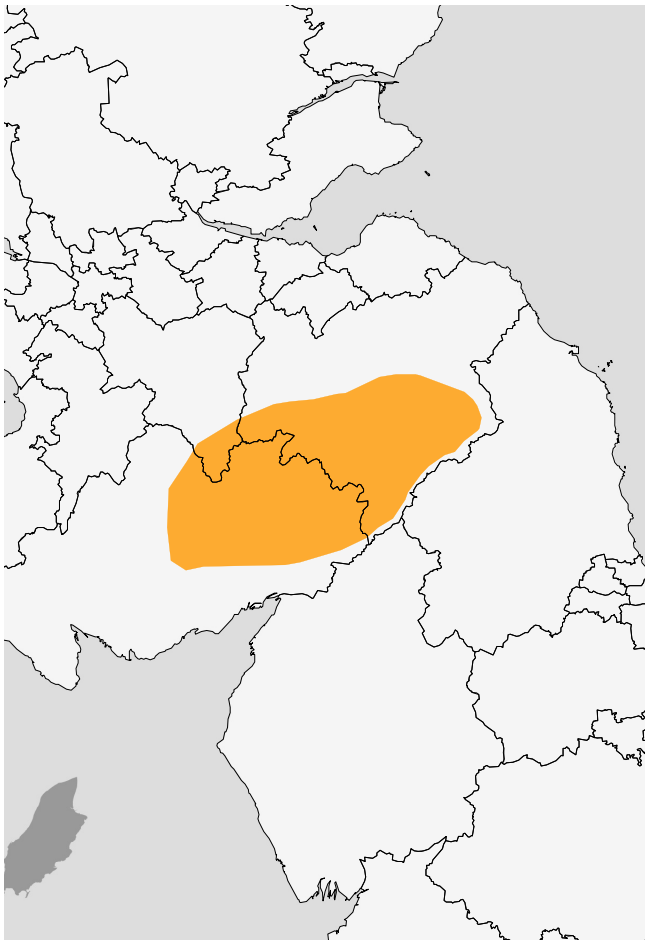
Amber warning
Rain

Between
12:00 Sat 15 Feb 2020 and
20:00 Sat 15 Feb 2020



Storm Dennis is expected to bring very heavy rain, flooding and disruption to travel later Saturday.

What to expect

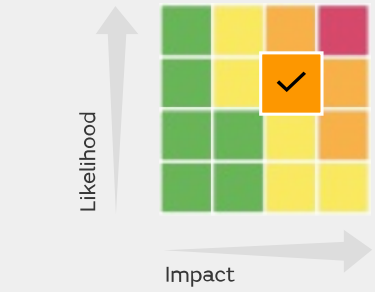
- Homes and businesses are likely to be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is likely, causing danger to life
- Delays and some cancellations to train and bus services are likely
- Spray and flooding probably leading to difficult driving conditions and some road closures
- A good chance some communities cut off by flooded roads
- Power cuts and loss of other services to some homes and businesses likely

Further details

Spells of heavy and prolonged rain are expected to affect southern Scotland during Saturday, particularly through the afternoon. Around 15-25 mm of rain will fall widely with 30-40 mm possible, this will combine with snow melt exacerbating the impacts.

Reason for update

End time brought forward by 3 hours. Warning area extended to cater for medium impacts a little further north.



Medium likelihood of medium impacts
